Order and Save!

Unexpected Pathways: The Journeys of Women in the Workforce presents stories relating to the career pathways of twenty-three multi-generational women representing diverse occupations, experiences and backgrounds. The stories reflect the stories of many women, expressing the intimate connection between one's career pathway and life journey. "Unexpected Pathways" shares stories of determination and perseverance - courage and resilience. "Unexpected Pathways" shares stories of greatness and fragility - survival and victory! And in the context of the career- life journey, "Unexpected Pathways" shares stories of healing and love. The stories and the five inspired lessons offered by our chapter authors, encourage hope and inspiration to women present and future.
